## UNFINISHED BUSINESS

1. Discussion with the Memorandum is still under discussion.

## NEW BUSINESS

1. The discussion of covid protocol was up for talking, through the discussion since we are in the green the library board was open to allowing more seats for children putting more seats down the alley in the hallway. Masks are not required at this time, it is up to the person coming in. We want to let the community know that if we move back to yellow we will go back to how the library was before with covid protocols.
